Academy Store

(209) 745-4661
(internal) x4012

Store goods for staff, cadets, and guests at CTC.

Advanced Academies

(209) 744-5025

Advanced Supervision, Basic Supervision, Lieutenants Academy, Sergeants Academy, DJJ Academies.

Basic Peace Officer Institute

(209) 744-5126

Provide training for correctional officers cadets in preparation for employment at California State institutions.

Field Training & Compliance

(209) 744-5091

Assist institution IST managers with training mandates, off post training requirements, the distribution and delivery of new or updated lesson plans. Conduct field audits of all institutions to ensure they are documenting and in compliance with all training requirements and mandates.

Instructional Design

(209) 744-5031
(209) 744-5032

Develop and update Basic Peace Officer Academy, Advanced Learning, In-Service Training, and On-the-Job training curricula in compliance with current practices, policy, law and regulations; conduct training assessments/analysis; develop presentations, practical application demonstrations, videos and other multi-media learning materials.

Learning Systems Support

(209) 744-5120

Provide support for OTPD's learning systems (i.e., SharePoint, Business Information Systems, etc.) and assists the Instructional Design Unit with various tasks associated with curricula development.

OTPD Curriculum

(209) 744-5091

Ensure training material used in all training venues is current and OTPD approved. Provide consultative support to training managers within and outside of CDCR on training materials and form of delivery.
